Dear Special Sessions Track Chairs,

We are pleased to announce the 2nd IEEE Afro-Mediterranean Conference on Artificial Intelligence, IEEE AMCAI, to be held in Valenciennes during October 14-16, 2025 (https://amcai-atia.tn/).
We thank you for taking part in the organization of the conference and many thanks for accepting to run the Special Sessions for IEEE AMCAI 2025.

This Special Sessions Proposals Track is Co-chaired between:

- Hervé Camus, herve.camus@ec-lille.fr
- Ouajdi Korbaa, Ouajdi.Korbaa@mars.rnu.tn
- Farah Jemili, jmili_farah@yahoo.fr
- Khaled Jouini, j.khaled@gmail.com

Your contribution is highly valued and will be instrumental in the success of AMCAI 2025.

Collaboratively, your role includes:

- Disseminate the call for Special Sessions and attract good proposals of special sessions from researchers all over the world and especially from Mediterranean and African countries.
- Accept good proposals of special sessions
- Email the Chairs of the accepted Special Sessions to inform, remind, give statistics, etc.
- Contribute to the conference organization and the conference program compilation
- Ideally, attend the conference and take part in the organization

This Track webpage can be found following this link: https://amcai-atia.tn/calls/call-for-special-sessions/
Special Session proposals have to be submitted electronically through EasyChair at https://easychair.org/conferences/?conf=ieeeamcai2025 before **January 31, 2025**.

You can download the Special Session template through: http://amcai-atia.tn/wp-content/uploads/2024/10/Proposal_Special_Session_template_AMCAI_2025.docx

Special Session proposals have to be submitted electronically with the following information:

1- Title & acronym of the special session
2- Brief profiles of special session organizers
3- General description of the special session scope
4- List of topics
5- Proposed special session Program Committee (to be invited)

The papers will be required to meet the same standards as AMCAI 2025 papers and will be published in the conference proceedings.

- All the Special Sessions will be centralized as tracks in the same conference submission and reviewing system as the regular papers.
